

Committed to Sustainability - Rooftop solar rebate.

KINGSFIELD IS COMMITTED TO SUSTAINABILITY AND TACKLING CLIMATE CHANGE AND IS ENCOURAGING HOME OWNERS TO INSTALL ROOFTOP SOLAR PANELS ON THEIR HOMES.

The state government currently have a rebate of up to \$1,400 available for home owners through Solar Victoria for solar panel (PV) system installation.

To further assist and encourage Kingsfield residents to install rooftop solar systems, Kingsfield is offering a further \$2,225 to the remaining cost of a solar PV system.

Purchasers who take advantage of the Kingsfield solar promotion, and who are eligible for the Solar Victoria rebate could therefore install a rooftop solar PV system up to the value of \$3,625 for \$0 cost.

This offer is available to purchasers who purchase their solar PV system from one of Kingsfield's Solar Partners (Origin Energy or Green Sky Australia).

Purchasers will be responsible for applying to Solar Victoria for the Government Rebate, and there are eligibility requirements which can be found at solar.vic.gov.au. Kingsfield in no way guarantees eligibility to the Government Rebate as part of the promotion.
